Why are Cameron and Clegg making ordinary people bear the brunt of their cuts, while they let the bankers walk away with billions in bonuses?

Together against the cuts.

Join the Labour Party. Join the fightback.

This Tory-led government wants us to think that "we're all in this together". But that couldn't be further from the truth:

- **An unfair hike in VAT that hits the poorest the hardest.**
- **Backtracking on promises and saddling students with £10,000s of debt, while scrapping the EMA that helps young people stay on at college.**
- **Re-organisation that risks privatising the NHS by the back door.**
- **Making families and children pay the price, with cuts like child benefit and health in pregnancy grant.**
- **Billions of £s of local govt cuts, squeezing local services like care for the elderly.**
- **Hundreds of thousands of jobs at risk.**

But it doesn't have to be like this. There is an alternative.

Trade unions want to see a fair tax on the banks, protection for public services, and policies for green jobs and growth.

Recovering from the financial crash doesn't have to mean cruel Tory cuts that threaten jobs, homes and our public services.

Join the fightback.
